Greenberg Advisors Promotes Team Member

WASHINGTON, DC – December 19, 2012 – Greenberg Advisors, LLC ("Greenberg") is pleased to announce the promotion of Shaun Tiwari to the position of Senior Associate.

Mr. Tiwari joined Greenberg in early 2010 and plays a key role in many of the company's initiatives. Since joining, he has developed numerous in-depth relationships with firm owners and executives, as well as with a variety of debt and equity investors in the U.S. and abroad.

His efforts to enhance the firm's relationships with bank and non-bank debt providers seeking investments in the ARM, RCM, BPO, and Specialty Finance sectors were instrumental in Greenberg's closing of two debt financing transactions in 2012.

Brian Greenberg, CEO of Greenberg Advisors, commented, "Shaun is an excellent representative of the firm. His ability to analyze a situation and find creative, thoughtful solutions is something that our clients have benefited from time and time again. This promotion is well deserved."

Mr. Tiwari's prior experience includes 3 years in private equity investing with Marc Bell Capital Partners and 2 years as a financial analyst with NVR, a real estate development firm. He holds a Finance degree and has passed Level II of the CFA program.
